Review Summary

- The school is a favourite learning place in which students enjoy the school environment and activities, where they receive suitable teaching practices supported with academic programs to improve their academic achievement standers.
- The school provides numerous of extracurricular activities and programs, that suits the students' talents and hobbies, as well as effective personal care.
- The school's leadership manages its work through clear aims and plans and appropriately follows up the progress made in the schoolwork, as well effective communication with parents.
- The school needs further effort in developing the students' academic achievement in core subjects.
- The school provides a variety of training programs to improve teachers' performance and needs to follow up its impact on the lessons.
- This means the students will continue to receive effective personal care and suitable educational support, and the school will draft an action plan based on the given review recommendations.
