Management and  
Governance

### Review Summary

- The school is a safe learning environment in which the majority of students are disciplined, comply with the school regulations, and receive personal care.
- The school follows up the students' discipline and attendance, as well encouraging them to participate in extracurricular activities, and care for special needs students, and communicates with parents and stakeholders.
- The school needs extensive effort and to focus on the teachers' training programs, and their performance in lessons, to improve the student's academic performance in majority of subjects.
- The school will draft an action plan based on the given review recommendations and will be scheduled for a monitoring visit.
