### Review Summary

- The school is a safe learning environment in which the majority of students are well-behaved and disciplined, comply with the school regulations, and adequately feel comfortable in school as a result of the psychological and social care provided to them.
- The school follows up the students' discipline, and encourages them to participate in extra-curricular activities, and support different categories of students, particularly special needs students. As well as appropriately communicating with parents.
- The school needs extensive effort in training the teachers and following up the performance in lessons to improve the student's academic performance in most subjects.
- The school will draft an action plan based on the given review recommendations and will be scheduled for a monitoring visit.
