Governance

Review Summary

- The school is a safe environment in which the majority of students comply with the school rules and regulations, receive personal and physical care, and feel psychologically comfortable.
- The school looks into the students' discipline and engagement in the extra-curricular activities, and provides communication channels with parents.
- The school needs extensive effort in training the teachers and following up the performance in lessons to improve the student's academic performance.
- The school will draft an action plan based on the given review recommendations and will be scheduled for a monitoring visit.
