Qualification Placement Decision

Target Learners	The qualification targets individuals who are already employed or wishing to progress to management positions within the retail industry. The qualification is intended for applicants who have previously completed 'Level 4 Certificate in Retail Sales' or equivalent, and/or relevant work experience.
Date of Validation Report	19 March 2020
Overall Validation Judgement The Advance Certificate in Retail Sales offered by Genetech Training and Development sufficiently meets all of the Validation Standards, and thus the Overall Judgement is: 'Valid' and to be placed on NQF Level 5.
