### Review Summary

- The school is an educational place where students receive appropriate personal care, and the majority of them comply adequately with the school regulations and values.
- The school provides appropriate opportunities for students to participate in extracurricular activities, especially sports activities, cares for students with special needs, communicates with parents and community institutions, and well organizes students' dismissal.
- The school needs to focus on following up on the professional development programmes offered to teachers, monitoring their teaching methods, and evaluation of students in a manner that improves their achievement levels, in preparation for their transition to the secondary stage.
- The school will develop an Action Plan based on the given review recommendations. The school will be scheduled for a monitoring visit.
