Review Summary

- The school provides a safe and supportive learning environment where students exhibit satisfactory behaviour.
- The school adequately integrates students into school life through a range of extracurricular activities.
- Students' communication skills in both Arabic and English are secure.
- The school's academic support provided is not effective enough to meet students' different learning needs and should be improved through a focus on teaching approaches, especially in mathematics and science.
- The school is 'Inadequate' when reviewed and will draft an Action Plan based on the review recommendations. The school will be scheduled for a Monitoring Visit.
