## Review Summary

- Cordoba Training Center (CTC) provides good quality training, supported by qualified trainers who give ongoing help and guidance to learners.
- The Center's success comes from its clear internal assessment processes to measure the programme's Intended Learning Outcomes (ILOs), helping learners achieve good results.
- Most learners develop good skills and knowledge, with the majority completing their qualifications.
- CTC's new management ensured the institute kept running smoothly in a short period.
- CTC is 'Good' in two Aspects, with 'Satisfactory' performance in 'Leadership and Management,' and will create an action plan to further enhance its performance based on the review recommendations.
