### Review Summary

- The school is considered an appropriate learning environment, where students receive an adequate education and academic support programmes to raise their academic standards.
- The school communicates positively with parents and partners, and provides diverse extracurricular activities that nurture students' talents and interests.
- Students generally are well-behaved as the school provides personal care for students, in addition to the effective personal support and care for students in the integration class.
- The school needs to monitor the impact of professional development programmes, focusing on implementing effective teaching and learning strategies, making productive use of learning time, and utilising assessment results to support students and activate their roles, particularly low achieving students.
- The school needs to improve students' standards in English.
- The school is 'Satisfactory' when reviewed and will draft an Action Plan based on the review recommendations.
