Review Summary

- Al Moalem Institute (AMI) demonstrates a strong commitment to deliver a high-quality training and learning experience, supported by strategic leadership and close performance monitoring to ensure continuous improvement in its provision.
- AMI trainers skillfully employ their theoretical and practical experiences, utilising highly effective training and assessment strategies to actively engage learners while providing targeted, individualised support to enhance their performance.
- Most learners acquire proficient vocational knowledge, skills, and competencies, enabling them to successfully achieve their qualifications on time and attain high proficiency levels in their final examinations.
- To sustain its outstanding performance, the Institute should continue to ensure the effectiveness and consistency of its practices while enhancing learners' outcomes to a greater extent.
- AMI has received an 'Outstanding' rating in all aspects and will develop an Action Plan to maintain its high performance based on the review recommendations.
