Overall Judgement

**In Progress**

- The school has made partial improvements in enhancing its performance and has taken some measures to address the recommendations from the last review, particularly the aspects related to the effectiveness of learning procedures in some lessons, such as in Cycle 1 lessons, and the improvement in the quality of school assessments and accuracy of their marking.
- The school set its goals according to development priorities and redrafted its school plans focusing on improving students' standards and teachers' professional development. It made improvements in some aspects, such as the effectiveness of learning procedures and students' progress in the majority of class teaching lessons, and some mathematics and science lessons.
- The school should continue its efforts to enhance students' standards in lessons and school programmes in Arabic and English, with emphasis on improving effectiveness, and provide more opportunities for students to build their self-confidence and take on responsibilities.
- The school should continue to address the review recommendations to achieve further improvement. The school will be scheduled for a regular review for the next visit.
