Overall Judgement

**In Progress**

- The school has made partial improvements in enhancing its performance and has successfully addressed some of the recommendations from the last review, particularly in self-evaluation, strategic planning, and the effectiveness of the teaching process in some lessons.
- The school updated its self-evaluation report, utilising its results to develop its school plans, focusing on improving students' academic standards and developing teaching processes. It made notable improvements in some areas, particularly in improving students' standards in some lessons, particularly in class teaching lessons.
- The school should continue its efforts to develop teachers' professional development to enhance the effectiveness of teaching practices in lessons, particularly in the Cycle 2, and to further improve students' standards in Arabic and English.
- The school should continue to address the review recommendations to achieve further improvement. The school will be scheduled for a regular review on the next visit.
