Review Summary

- The school is a model of an encouraging educational environment that provides students with a comfortable and motivating atmosphere, where they find a real engagement in learning within classrooms or through carefully designed school activities and programmes that foster their passion for learning.
- The school has many outstanding positive features, such as students' high academic standards, their adherence to proper behaviour while showing promising leadership skills.
- The school promotes high ethical and national values through innovative guidance programmes that instill a sense of belonging and develop social responsibility.
- The school places great emphasis on professional development programmes for teachers, which contribute to the excellent classroom practices in all core subjects.
- The school leadership is highly aware of schoolwork aspects, operates with high proficiency to maintain outstanding educational standards, while encouraging creativity and innovation among school staff, and achieving remarkable results in competitions and participations locally and regionally.
- The school enhances the role of parents by providing them with the opportunity to take part in its activities and events continuously, enriching students' learning and life experiences.
- The school is 'Outstanding' when reviewed, and it will draft an Action Plan based on the review recommendations.
