Management and  
Governance

## Review Summary

- The school leadership team provides clear direction and demonstrates resilience in managing challenges and leading improvement efforts.
- Students actively participate in a range of extracurricular activities and competitions, helping them build their talents, interests, and teamwork skills.
- The school is focusing on improving Arabic language outcomes, enhancing the quality of teaching and academic support programmes for all students, and strengthening behaviour and discipline across the school.
- To sustain progress and implement improvement initiatives effectively, the school needs stability in leadership, as well as strong support and involvement from parents.
- The school has been rated 'Satisfactory' in this review and will draft an Action Plan to implement the recommendations provided.
