Review Summary

- Golden Trust Training and Consultancy (GT) provides high-quality training and learning experiences, supported by rigorous performance monitoring and a robust quality assurance system to ensure continuous improvement of the provision.
- Training is delivered in an engaging and supportive environment, utilising highly effective training and assessment strategies that actively engage learners while providing targeted and individualised support, constructive feedback, and coaching to enhance their learning.
- Most learners gain relevant knowledge and competent vocational skills, enabling almost all of them to successfully achieve their qualifications on time.
- To sustain its outstanding performance, the Institute should continue to ensure the consistency and effectiveness of its current practices and procedures.
- GT has received an 'Outstanding' rating in all aspects and will develop an Action Plan to maintain its high performance based on the review recommendations.
