Review Summary

- Millennium Training Centre (MTC) provides high quality programmes in different learning areas, with the majority of enrolments in the field of Business and Commerce.
- The Centre utilises a robust set of summative assessments that are rigorously verified and moderated, supporting learners in acquiring effective vocational skills and enabling them to achieve the qualifications they aim for in a timely manner.
- MTC conducts fit-for-purpose admission arrangements and uses the outcomes of in-depth analysis to offer purposeful opportunities that support learners and promote their career progression.
- The Centre rigorously assess its performance, sets robust strategic and operational plans to track progress, and closely monitors the performance of learners and trainers, resulting in restored business and significant improvements in the quality of provision.
- MTC demonstrates strengths across all aspects of provision and can further challenge the abilities of a few learners to enhance their acquisition of knowledge and skills, while also implementing more effective measures to support business continuity and expansion.
- MTC is 'Outstanding' in all aspects and will develop an Action Plan to sustain its performance based on the review recommendations.
