## Review Summary

- Al Ghad Training Institute (GTI) is guided by a clear strategic direction and a rigorous self-assessment process that effectively drives continuous improvement and informs internal quality assurance.
- The vast majority of learners acquire highly relevant vocational skills and successfully achieve their qualifications, with high satisfaction and measurable career advancement.
- Assessments are well-structured and critically verified, consistently measuring achievement of intended learning outcomes (ILOs).
- To sustain its outstanding performance, GTI should systemise written feedback across internal assessments, and enhance learner participation.
- GTI has been rated as overall 'Outstanding' and will develop an Action Plan to maintain its high performance based on the review recommendations.
