Management and  
Governance

### Review Summary

- The school provides a stimulating learning environment where students are well-behaved and exhibit a strong desire to learn. They participate in school life in a full-mounted display of enthusiasm and confidence, supported by the exceptional care they receive.
- The school's leadership demonstrates a clear awareness of development priorities and operates according to a collaborative system, alongside efficient planning processes. The school also encourages its staff to become creative thinkers and exceptionally communicates with parents and partners.
- The school is committed to monitoring and developing the performance of its staff by providing targeted training programmes. This has been reflected in providing an outstanding education for students that develops and enhances their academic skills in general, and in Arabic in particular.
- The school offers numerous regular and targeted enrichment and remedial programmes and projects, which have contributed to clear progress among various categories of students, particularly the programmes offered to high-achieving students.
- The school needs to continue disseminating outstanding teaching practices and utilising them to enhance some teaching practices in lessons, particularly those related to maximising learning time and challenging the capabilities of some students in pursuit of excellent performance, especially in mathematics.
- The school is rated "Outstanding" when reviewed and will develop an Action Plan based on the review recommendations.
