Review Summary

- Zainab Intermediate Girls School provides an appropriate learning environment, where students' personal skills are promoted, and students are provided with diverse school programmes.
- The school is keen on providing personal care for its students, and offering activities, events, and projects that enrich their experiences, interests, and various hobbies, while maintaining effective communication with partners to enhance these aspects.
- The school encourages its staff to take positive initiatives and utilises its facilities positively through various school activities and programmes.
- For the school to promote its performance, it needs to focus on developing its administrative processes related to self-evaluation and planning, especially those related to improving students' academic standards and acquiring core skills by supporting them according to their diverse learning needs in lessons and school programmes.
- The school needs to further improve teaching practices in most lessons by developing the teachers' training programmes, ensuring the promotion of the school's overall performance.
- The school is "Satisfactory" when reviewed and will develop an Action Plan based on the review recommendations.
