Review Summary

- The school provides a suitable educational environment where students receive appropriate learning, with a strong focus on personal care, particularly for students with special needs.
- The school's staff works as a cohesive team, and the school maintains effective communication with parents and stakeholders, contributing to the overall improvement of its performance.
- The majority of students demonstrate good behaviour, show respect towards their peers and teachers, and participate appropriately in extracurricular activities and various competitions that nurture their talents and experiences.
- The school needs to enhance its administrative processes and focus more efforts within lessons on implementing effective teaching and learning strategies, activating students' roles, making the most of learning time, and using assessment outcomes to challenge students' abilities.
- Further efforts are needed to improve students' skills in core subjects and to provide effective academic support programmes that meet their learning needs, particularly for low-achieving students.
- The school is judged as 'Satisfactory' during the review and will develop an Action Plan based on the recommendations provided.
