### Review Summary

- The school provides accessible and equitable education, creating an environment where students feel valued and supported to achieve their potential.
- Forward-thinking and committed leadership, well supported by governance and parents, drives sustained improvement and academic growth despite challenges.
- Students are enthusiastic and self-driven, engaging actively in a wide range of co-curricular opportunities that build confidence, skills, and achievement across academics, sports, and arts.
- Academic support beyond lessons contributes effectively to improving student performance.
- To build further on these strengths, teaching practices should be more consistent, with greater differentiation to challenge the high achieving and support those who need additional guidance.
- Arabic skills should be strengthened for the small group of students who opt to study the subject.
- The school is judged 'Good' when reviewed and will draft an Action Plan based on the review recommendations.
