Review Summary

- Alnada Training Centre (ANTC) delivers training in a supportive and engaging environment, enabling the majority of learners particularly in accountancy and finance to acquire proficient skills and knowledge and progress successfully toward achieving their qualifications.
- The effective implementation of training and assessment for learning strategies, delivered by trainers with in-depth industry knowledge, is supported by effective guidance and relevant career prospects. This approach has enabled the majority of learners to successfully meet the programmes' requirements.
- The leadership and management team maintains a clear strategic direction and uses fit for purpose performance monitoring to enhance vocational learning. The next steps are to strengthen internal verification and moderation processes, and deepen the analysis of externally accredited programme results, alongside further refinement of the self-assessment process, to more effectively track learner achievement and enhance overall quality.
- ANTC has been rated 'Good' in all Aspects and will develop an Action Plan to further enhance its performance based on the review recommendations.
