Review Summary

- The school's leadership and staff implement appropriate plans and procedures and maintain proper communication with parents.
- Students are generally well behaved, enjoy school life, and participate adequately in the extracurricular activities provided, which contribute to their personal development and wellbeing.
- Students demonstrate satisfactory academic progress and skills development across the school.
- Teachers' professional development programmes need to further focus on implementing more attractive and engaging strategies as well as utilising learning time more effectively.
- Academic support, particularly for low-achieving students, needs to be strengthened through effective in-class support and targeted intervention programmes.
- The school is judged as 'Satisfactory' when reviewed and will draft an Action Plan based on the review recommendations.
